BACKGROUND

AZAM Fabrication is a true Broad Based Black Economic Empowerment (BBBEE) enterprise.

AZAM Fabrication is currently recognized as a Level 2 contributor in the QSE Category and has been rated accordingly.

Our client base has expanded significantly and mainly due to the quality of our work. We have a 100% safe working record with no lost time over this period. As far as training and development goes, we have engaged in a process of identifying appropriate learner ships for our business's long-term sustainability and to be a true partner in creating wealth in our community.

AZAM Fabrication was audited by ISOQAR and we received our ISO9001:2000 certification accordingly.

TECHNICAL CONSULTING PROVIDES A TOTAL END TO END SOLUTION.

AND MUCH MORE.....

MISSION STATEMENT

At Azam Fabrication Pty Ltd, we believe in **QUALITY** workmanship, which we consistently deliver through our **EXPERIENCE** and our **INTEGRITY**.

Azam Fabrication Pty Ltd's objective is to expand upon our loyal client base as we continue to achieve customer satisfaction and profitability. Another goal is to maintain a long term relationship with quality employees. Our philosophy is that quality in all areas of business from estimating, accounting, construction, final clean up and payment requisition is equally important. Each employee, subcontractor, vendor and client is important to our success.

OUR VISION

Azam Fabrication Pty Ltd strives to grow our organization through investigating advancing technology, industry changes and the varying needs of our clientele as our industry evolves. We will continuously diversify our skill set to distinguish us from our competition and foster loyal customers as we build infrastructure.
